

QCCS Workday

You asked, we heard!!!

We are being blessed in so many ways at QCCS!! After our extremely successful 1st School Workday, we have had many express a desire to continue the job that we have started to get our South campus building ready for the tentative move in date around Oct 8!! We also have had an offer to have a group of men from United Way volunteer to do any improvements on BOTH of our campuses on Aug 31st! The plan is to have them do some painting at our NORTH campus and some at the SOUTH campus. Our challenge, is to be ready for them!

Our SOUTH campus preparations will need to be focused on the Gym and Kitchen areas. We are also hoping to move lockers soon, thus will need to have some of the hallway primed for painting. There are still walls to have tacky putty removed, nails and anchors removed, walls to be sanded, windows glazed, repairs made and yard-work to be completed! There is a job for everyone!! :)

2 workdays that are scheduled before the arrival of the folks from United Way are:

Wednesday Aug 24 4:00 to 6:30 pm

Saturday Aug 27 9 am to 1 pm

If you are able to come on either of these days, QCCS will be the benefactor of your generosity, time and effort!!

If you could let me know (donna at sixrichards@msn.com or 391-9995 or in the school office) I will know what supplies I need to have on hand. You are welcome to join us for any of those times.

ALSO, whenever the kids are having soccer and/or volley ball practice, the building is open and you would be welcome to drop in and help out. Usual practice is 4:00 to 6:00. You can check with me if you want to make sure that the practices are occurring on those days.

This is an exciting time in the life of QCCS and we are thrilled so many are in on this next adventure!!

Donna Richard
(school board member)
